Performance information

Past performance is not a guide to future returns. The value of investments and any income from them is not guaranteed and may fall as well as rise and the investor may not get back the original amount invested. Because of this, an investor is not certain to make a profit on an investment and may lose money.

Important documents

The information contained herein is not intended to provide, and should not be relied upon for accounting, legal or tax advice or investment recommendations. You should consult your tax, legal, accounting or other advisors about the issues discussed herein. A potential investor expressing an interest to invest in the transaction will be provided with a prospectus, a KIID and subscription agreement (together, the “Fund Documents”) for the investment and an opportunity to review the documentation relating to the investment. Prospective investors must review the Fund Documents, including the risk factors, before making a decision to invest and should rely only on the information contained in the Fund Documents in making their investment decision.
